Technical drawing of a mechanical part, likely a bracket or support. The main view shows a U-shaped profile with a vertical leg on the left and a horizontal leg on the right. The vertical leg has a total height of 85. The horizontal leg has a width of 65. The rightmost vertical section has a height of 55. A detail view (A) shows a circular cross-section with a diameter of $\varnothing 60$ and two smaller circular features. A section line A-A is indicated. A side view shows a horizontal section with a diameter of $\varnothing 10$ and a vertical section with a width of 5 and a height of 7.
